Orders were issued from time to time on the usage of beacons(Blue lights/ Red lights) and hooters on the vehicles plying in the state with twin objective of protocol and security for the dignitaries. However it has been brought to the notice of Government that the usage of signs of VIP culture such as beacons and hooters by those eligible is causing intimidation, Inconvenience and outrage among the public. There are also innumerable instances of those ineligible also using beacons and sirens as a status symbol in violation of Government orders.
